

Danube Ports

Danube Ports portal

The Danube Ports, www.danubeports.info, is a free of charge online platform and the most comprehensive directory of ports on the Danube and its navigable tributaries.

The platform includes profiles of ports and transshipment sites from Kelheim to the Black Sea. Information on port facilities, logistics providers and relevant contacts are available in an easy-to-use and clearly structured form.

Interested in promoting your company on this important platform for port information, services and facilities on the Danube?

Book your partner package, and we guarantee you more visibility on the website. Please find the offered benefits on the second page.

Be visible at first glance on the Danube Ports directory!

Complete our partner booking form, and return it to viadonau. Ensure your presence in this important navigator for port information, services and facilities on the Danube and its navigable tributaries!

Danube Ports

The well-established Danube Ports portal is the most comprehensive directory, collecting and providing data of the ports along the Danube and its navigable tributaries. It is an invaluable source of information for all shippers and logistics service providers, who want to integrate

the Danube in their logistics chain. All partner logos are directly linked to their company profile.

Be visible to all visitors, and make sure to be found easily – be part of the Danube Ports!

The partner package includes:

- Your company logo on the main page of the Danube Logistics Portal
- Your company logo on the main page of the Danube Ports directory
- Your company logo on our partner website
- Promotion of your company as a partner, whenever the portal is presented at fairs & events

500 €*

*Price excluding VAT
The package is valid for one year.
